Ainad Shriners Partner Program

Who are the Ainad Shriners?

The 4,500 Ainad Shriners of Southern Illinois are members of the International Masonic Fraternal Organization of almost 310,000 men. Our purpose is to raise awareness and to support the programs of Shriners Hospitals for Children® which began in 1922.

Throughout the year Ainad Shriners parade units take to the streets entertaining our friends and neighbors while reminding them of the twenty-two hospitals we support across North America that provide medical care to children with orthopedic conditions, burn injuries and other special health care needs.

Ainad Shrine Clubs and Units conduct annual screening clinics for children in numerous communities across Southern Illinois in an effort to identify families who can benefit from our free and state-of-the-art medical care and research programs.

Each year almost 600 new patient applications from throughout Southern Illinois are submitted as a result of the efforts of our dedicated members.

In addition, our members volunteer their time and resources to provide free transportation and travel assistance for over 200 hospital trips per year that are originated by families all across Southern Illinois.

The Ainad Shriners Partner Program

Revenues from membership dues and our fundraisers like the Ainad Circus, the Ainad Dinner Auction and the Ainad Bass Tournament are the major sources of the funds required to support the programs and expenses of the Ainad Shriners. In an effort to expand our financial stability we have implemented an Ainad Shriners Partner Program.

The Ainad Shriners are looking for individuals and business partners who believe in our cause and are willing to reallocate or dedicate financial resources to support our efforts.

All levels of the Ainad Shriners Partner Program will receive an unlimited supply of hospital applications. These forms may be used for friends, employees and acquaintances who might know of a child who would benefit from the "state-of-the-art" medical care provided by the Shriners Hospital for Children®.

In addition, members of the Ainad Shriners Partner Program will be provided the following:

- A color banner advertising your name or business that will be displayed at our Shrine Center and at all Ainad public events.
- You will receive recognition as an Ainad Shriners Partner in our Ainad Bulletin, which is mailed to over 4,800 members and friends eleven months per year.
- You or your business will be provided advertising space in our Circus Program Book, Auction Program Book and our Bass Tournament Program Book.
